Dear Ms. Echevarria:

Thank you for agreeing to participate as a role model panelist at one of the Saturday Academy's career orientation seminars.

Please arrive at Rutgers University, Conklin Hall, 175 University Avenue in Newark, Room 449 at 11:00 a.m. on Saturday, May 18, 1985. The first presentation will begin promptly at 11:10 a.m., and the second will begin at 12:15. Each seminar will last one hour. Time will be set aside for questions and answers.

Many of the student participants have indicated career interests, but may not be aware of the factors involved in pursuing the particular career. To acquaint them with some of the factors involved, please impart to the students the educational background required, examples of hand-on experiences, why and how you chose the particular career, the benefits the students can expect to receive should they pursue the career, and any other relevant or interesting information you may have.

We are certain that you will be impressed by the caliber of the student participants. And you can take pride in knowing that you have assisted these young people in making knowledgeable and viable career choices.

I have enclosed information about the other speakers and the presentation format. If you have any questions, please don't hesitate to call me at [REDACTED]. I look forward to meeting you on May 18, and again, thank you for participating.

Sincerely,

Lisa Hendricks
